Unfailing Commitment.

Sahrudaya Hospital, was registered as a Social Welfare Society, under the Charitable Societies Act and was pioneered by Rev. Fr. Thomas Thumpayil, the Asst. Started as a small health centre-cum-hospital 1967, the operations grew multi-fold and became the multi-speciality hospital complex that it is today. The Social Welfare Society is presently run by the Catholic Archdiocese of Changanassery with the Archbishop Mar Joseph Perumthottam, as the Patron of the Society. His Grace constant consent and encouragement led the Institution top in the healthcare scenario of Alappuzha district. Mar Thomas Tharayil, Auxiliary Bishop and Co-Patron is the motivator behind all our endeavours.

We owe immense gratitude to the Archbishop Mar Mathew Kavukattu, Cardinal Antony Padiyara, Rt. Rev. Dr. Peter Chenaprambil, Mar Joseph Powathil who bought of the land for the hospital and the parishioners of Thathampally and Pazhavangadi for their immense co-operation and contributions offered to the making of this hospital. The hospital was functioning by a group of layman till 2010 and was handed over to Archdiocese of changanacherry in 2011.

On August 1, 2011 under the leadership of Fr. Thomas Maliakel, the Executive Director, a great visionery and assiduous leader, the hospital has grown into a renowned super-speciality with path breaking achievements.
